To: Northline Utilities and Nor Pro Employees  
From: Emergency Operations Team  
Re: Guidance Sheet #52 – Coronavirus Disease (COVID-19)  
Date: May 8, 2020

## Dashboard

Our Northline Utilities Emergency Operations Team feels that it is important to share an overview of the Northline Family as we monitor how COVID-19 is impacting our population.

Employees Tested for COVID-19	Employees with a Negative Test Result	Employees with COVID-19 Test Results Pending	Employees with a Positive Test Result
20	19	0	1

Our one Positive has recovered and is back at work.

## Strategy Guidance

### Employee Assistance Services

Some weeks ago, ESI created the Covid-19 resource center on the ESI member website, [www.theEAP.com/Union-AP](http://www.theEAP.com/Union-AP). They continue to update that resource center with new information every few days so login to see what's new.

When you log into the website, click on EMPLOYEE → EMPLOYEE & FAMILY LOGIN → REGISTER HERE → EMPLOYER/UNION = NORTHLINE. If any member or family member needs assistance to deal with anxiety or stress, **call 800.252.4555 to reach a counselor**. Services are free and confidential.

The Coronavirus is causing extreme financial hardship for many. That is why the EAP has updated their popular **“Tools for Tough Times”** feature.

You can click the link below to access the information.

### [The Coronavirus Crisis: Tools for Tough Times](#)

They offer resources specific to the coronavirus crisis, as well as some general tools designed to help people cope with tough financial pressures – whether it be learning how to avoid eviction or foreclosure on a home, finding local assistance for utilities, or tapping into ideas for saving money at the grocery store and cooking meals for less.

## Important Information About Your Cloth Face Coverings

As COVID-19 continues to spread within the United States, CDC has recommended additional measures to prevent the spread of SARS-CoV-2, the virus that causes COVID-19. In the context of community transmission, CDC recommends that you:

Stay at home as much as possible

Practice social distancing (remaining at least 6 feet away from others)

Clean your hands often

In addition, CDC also recommends that everyone wear cloth face coverings when leaving their homes, regardless of whether they have fever or symptoms of COVID-19. This is because of evidence that people with COVID-19 can spread the disease, even when they don't have any symptoms. Cloth face coverings should not be placed on young children under age 2, anyone who has trouble breathing, or is unconscious, incapacitated, or otherwise unable to remove the mask without assistance.

### How cloth face coverings work

Cloth face coverings prevent the person wearing the mask from spreading respiratory droplets when talking, sneezing, or coughing. If everyone wears a cloth face covering when out in public, such as going to the grocery store, the risk of exposure to SARS-CoV-2 can be reduced for the community. Since people can spread the virus before symptoms start, or even if people never have symptoms, wearing a cloth face covering can protect others around you. Face coverings worn by others protect you from getting the virus from people carrying the virus.

### How cloth face coverings are different from other types of masks

Cloth face coverings are NOT the same as the medical facemasks, surgical masks, or respirators (such as N95 respirators) worn by healthcare personnel, first responders, and workers in other industries. These masks and respirators are personal protective equipment (PPE). Medical PPE should be used by healthcare personnel and first responders for their protection. Healthcare personnel and first responders should not wear cloth face coverings instead of PPE when respirators or facemasks are indicated.

N95 respirator

Cloth covering

### General considerations for the use of cloth face coverings

When using a cloth face covering, make sure:

- The mouth and nose are fully covered
- The covering fits snugly against the sides of the face so there are no gaps
- You do not have any difficulty breathing while wearing the cloth face covering
- The cloth face covering can be tied or otherwise secured to prevent slipping

Avoid touching your face as much as possible. Keep the covering clean. Clean hands with soap and water or alcohol-based hand sanitizer immediately, before putting on, after touching or adjusting, and after removing the cloth face covering. Don't share it with anyone else unless it's washed and dried first. You should be the only person handling your covering. Laundry instructions will depend on the cloth used to make the face covering. In general, cloth face coverings should be washed regularly (e.g., daily and whenever soiled) using water and a mild detergent, dried completely in a hot dryer, and stored in a clean container or bag.

For more information, go to: <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/cloth-face-cover-faq.html>

### May is Mental Health Awareness Month

COVID-19 has been a crisis for mental health, too. Remember: You are never alone. For free emotional support, consultations and referrals to a provider, call 1-844-863-9314. For free meditation and mindfulness exercises, visit [headspace.com/ny](https://www.headspace.com/ny)

### Frequently Asked Questions

We have asked all of you to elevate your questions regarding the Northline Utilities COVID-19 response to the Emergency Operations Team either directly or through your Functional Manager. Many of these questions brought forth by different groups and individuals are relevant to the whole organization. Therefore, we will be including the questions and the responses in our Guidance Sheets going forward.

Question #1: Some areas did not receive the Tyndale masks, are they on order?

Response #1: They are more masks on order. If you are in need of a Tyndale FR mask, please contact Scott Dick at 518-647-5977.

Question #2: Most Crews received 2 surgical masks back a while ago, is it possible to have the safety personnel with extra mask to give out when needed as they make their rounds, they don't last long with the conditions the men put them through.

Response #2: There are surgical masks in Northline inventory. If you are in need of additional surgical masks, please contact Scott Dick at 518-647-5977.

The Safety Personnel will have additional inventory with them as they visit the various sites.

Please remember to keep using the Daily Self Checker. This Daily Self Checker is a list of questions that everyone should ask themselves every morning before work. If you answer "Yes" to any of these questions you should not go to work, and you should immediately reach out to the Emergency Operations Team Liaison Officer, Ricardo Aguilar by cell phone (518)-420-7078.

### Daily Self-Checker

1. Have I recently traveled from a country / region with widespread sustained transmission of COVID-19?
2. Have I been in contact with someone who has recently traveled from a country / region with widespread sustained transmission of COVID-19 and is now sick?
3. Have I had contact with someone with lab confirmed COVID-19 in the last 14 days?
4. Have I been told by a Public Health Official that I may have been exposed to COVID-19?
5. Have I had any of the following symptoms in the last 14 days – fever greater than 100°F, cough, shortness of breath or difficulty breathing, chills, repeated shaking with chills, muscle pain, headache, sore throat, new loss of taste or smell?
6. Am I currently experiencing any of the above symptoms?

**Notification**

Remember, as part of our Northline Notification Protocol:

These are the reasons to contact Ricardo Aguilar ([raguilar@northlinellc.com](mailto:raguilar@northlinellc.com)), Emergency Operations Team Liaison Officer:

- I went home with COVID-19 symptoms
- I stayed home sick with COVID-19 symptoms
- I was advised by a Health Care Provider to be tested
- I was made aware of someone else that has COVID-19 symptoms or stayed home
- I was asked to leave the jobsite by the customer due to a potential exposure
- I tested positive for COVID-19
- I encountered someone known to have tested positive for COVID-19 or
- I completed a trip to a CDC-categorized Coronavirus Warning Level 3 location

This notice must be directed to Ricardo Aguilar, Emergency Operations Team Liaison Officer at [raguilar@northlinellc.com](mailto:raguilar@northlinellc.com) or by cell phone (518)-420-7078. The assigned Northline Project Manager will be notified and in turn the Project Owner, trade contractors and suppliers of the situation.

If you have any questions regarding this guidance, please do not hesitate to contact a member of the Emergency Operations Team. You are encouraged to send e-mails to [Covid19EmOps@northlinellc.com](mailto:Covid19EmOps@northlinellc.com) or to specific individuals on the team.
